

# Ultimate DEER Food Plots

By Ed Spinazzola

Only  
**\$20.00**

FINALLY! The much awaited newly expanded and updated 200 page book by Michigan's food plot expert Ed Spinazzola. Contains color photos and all the newest information you need to plant food plots using hand-held or ATV equipment, PLUS new chapters on managing your land for BIG BUCKS by Tony LaPratt of Ultimate Land Management, and planting fruit & nut trees by Nursery owners and experts Ken Asmus and Charlie Morse.

**It explains:**

- How to select and prepare sites for planting
- The tools you will need
- The proper use of herbicides
- What types and amount of seed to plant
- How to fertilize and lime your site
- How to maintain food plots for the long term
- How to plant fruit trees & nut trees
- Planting and managing small acres for keeping Big Bucks on you land
- And much, much more!

"I've researched, managed and written about whitetails for more than 40 years. As far as I'm concerned, Ed Spinazzola is not only Michigan's deer food plot expert, he is probably one of the most knowledgeable individuals concerning the subject in the entire Midwest."

-John J. Ozoga, Wildlife Research Biologist, Retired, Michigan DNR
